8950 Costa Verde Blvd Apt 4131 San Diego, CA 92122 (714-319-3917)  
egang@ucsd.edu

Current Senior at University of California, San Diego (UCSD) pursuing a Bachelor's degree in Cognitive Science with a Specialization in Design and Interaction. Demonstrates a clear understanding in design, user research, user interface, hospitality, customer service, and communications. Thrives on transforming intricate problems into aesthetically pleasing yet user-friendly solutions that not only look amazing but also are efficient and user-based. Exhibits this by combining the foundations in design principles and user psychology with a meticulousness for details, striving to help solve any problem.

## EXPERIENCE

### **Aritzia**, San Diego, CA / *Inventory Associate*

AUG 2023 - NOV 2023 / [www.artizia.com](https://www.artizia.com)

Provided support with the movement of merchandise into and out of the store, while contributing to seamless operations in all aspects of the retail space.

### **Abercrombie and Fitch**, San Diego, CA / *Brand Ambassador*

FEB 2022 - JUL 2022 / [www.abercrombie.com](https://www.abercrombie.com)

Provided customer service and worked in various areas in the store including inventory, register, fitting rooms, and organization.

### **ArtPower**, San Diego, CA / *Production Assistant*

JAN 2022 - FEB 2022 / [artpower.ucsd.edu](https://artpower.ucsd.edu)

Duties include: transporting materials, props, equipment, and performers. Lifting, moving, and setting up the stage. Assisting the production manager in running the event.

## INTERNSHIP

### **UI/UX Team**, Seodaemun-gu, Seoul, Korea / *Intern*

AUG 2023 - DEC 2023

Interned under Professor Ted Yoo at Yonsei University as a part of the UCEAP internship program. The company I worked for was Vrillar, a distinguished company specializing in video reality and augmented reality content. I was immersed in the creation of high-quality content spanning three main categories: VR/AR games, VR educational software, and VR visualization. Vrillar's noteworthy project, ME.RROR, stands as a testament to its commitment to introducing diverse Asian assets to the 3D realm.

## TOOLBOX

Figma, HTML, ATOM, JavaScript, Word, PowerPoint, Excel, Google Suite, Python, C++, Adobe Indesign, Inkscape

## ACTIVITIES

### **Campus Outreach**

Coordinated weekly and quarterly events for campus club as a part of the leadership team.

### **Redeemer Presbyterian Church**

Served as a teaching assistant at the children ministry.

### **Generation of Daughters**

Run social media, shopify, and marketing for a jewelry brand.
